Dear HGSE Students,

Happy New Year! I hope you are doing well and are ready for Spring & J-Term 2022! I am writing to share important information about Fall and J-Term reminders and Spring 2022 course and enrollment updates.

**FALL 2021 TERM**

**Grades**

Fall grades are due on January 4, 2022.

**Course Evaluations**

As a reminder, HGSE places a great deal of importance on the evaluation of its courses and programs. A student may view final grades online for the semester only after submitting all course evaluations. Continuing students who do not complete all of their course evaluations will be prevented from registering for further courses until they fulfill the course evaluation requirement.

**J-TERM 2022 TERM**

**J-Term Courses Instruction Mode and Location**

Please visit the HGSE Course Catalog in my.harvard for the most recent changes to J-Term courses instruction mode and location. Please note that all J-term courses have transitioned to online instruction. Please expect to hear directly from each course’s teaching team with additional updates, if any.
J-Term Add/Drop/Grade option Deadline

Courses in January Term are offered at different start and end dates. The add/drop/grade option deadline is before the start of the second class as indicated in my.harvard. We have added the deadline (date and time) to each course in the class notes section in the course page in my.harvard (see screenshot below). Please note that you will be able to drop yourself from a J-Term course via portal until Monday, January 3, 2022 – 11:59pm ET. After that date, if you wish to drop a course before the course deadline displayed in the class notes section, you will need to email us at registrar@gse.harvard.edu. IMPORTANT: In order to drop the course without a DRP, the date/time stamp of your email has to be before the published add/drop deadline in the class notes.
