

## Office of the Registrar

Dear HGSE Students,

Please note some January Term clarifications and important points:

1. January Term enrollment is completely optional.
2. January Term credits do not count against Spring Term credit maximums for any students. Students may take 2 or 4 credits in the January Term, and these credits will not reduce the maximum available credits in Spring 2023.
3. Please clear your browser cache/cookies and make sure indicate/click SPRING when adding January Term courses to your Crimson Cart. (Inadvertently clicking on FALL will add a completely different course to your Crimson Cart.)
4. The Registration deadline for January Term enrollment is Friday, December 2nd at 11:59pm ET. All courses will require instructor consent after this deadline.
5. The add/drop deadline for January Term courses is one hour before the start of the second lecture for each class. (Drop deadline will vary by course.) Please check the "Class Notes" section for each class for the specific add/drop/change of grading basis deadline. Students will not be able to add courses after this deadline. Any courses dropped after this deadline will receive a "drop" (DRP) grade.
6. As mentioned, enrollment and registration holds were ignored for the lottery-based enrollment event. Students have until Monday, December 2 at 12:00pm ET to clear any holds. (Students with vaccination appointments can contact HUHS to temporarily lift those holds.)
7. Professor Richard Weissbourd will run a separate lottery for the "Innovation and Justice: Developing New School and Community Strategies that Strengthen Children" (H310W) J-Term course. If you are interested in the class, please submit a petition in my.Harvard by noon on Wednesday, November 30th. Please see the course site for details: <https://canvas.harvard.edu/courses/113096>
