1. By viewing 8-10-minute pre-recorded videos created by the course instructors and posted to their (Canvas) course websites. These videos will be made available to students on **Friday, January 13**.
2. By attending live, 25-minute question and answer sessions. **Spring Q&A sessions will be scheduled on Tuesday, January 17, and Wednesday, January 18**. The deadline to check-in in [my.Harvard](#) is Friday, January 20. After January 20, students will be allowed to do late check-in through Monday, February 6, at which time check-in will close. All students are required to check-in for the spring semester. When you have completed the Check-in process, you will be able to move forward to enroll in classes.

Lottery-Based Enrollment

The Spring Semester lottery-based enrollment for HGSE courses **will open** in my.Harvard on **Wednesday, January 11 at 12:01am ET**, and will remain so **until Wednesday, January 18 when it will close at 2:00pm ET**. You will find the lottery-based preferences (rank your choices) page in my.Harvard. While the lottery is open, you will be able to add, delete, or change your course ranked choices. The results of the lottery-based enrollment will be posted in my.Harvard on Wednesday, January 18 in the evening (no later than 11:59pm). You will receive an email communication once it has been completed.

Please note that May Term lottery-based enrollment (A501M) will be available for ranking on Wednesday, January 11th. The deadline to rank your preference will be on Wednesday, January 18.

Please visit our [Lottery Based Enrollment](#) page for detailed information of the lottery process and deadlines.

Cross-Registration

Like HGSE course registration, cross-registration into any of the other Harvard schools and MIT is done through my.harvard. Please visit our [Cross Registration page](#) for additional information.

Please note that on Wednesday, January 11, you may add courses to your Crimson Cart – This means that you can start adding courses at other Harvard Schools and MIT to your Crimson Cart. This will allow you to validate and submit petitions for instructor permission courses. Holds do not impact your ability to add courses to your Crimson Cart and submit petitions!

E&O Foundations elective course requirement (Ed.M. Students)

As a reminder, all Ed.M. students admitted in Summer 2022 who will graduate in May 2023 must complete their E&O Foundations elective requirement before May Term by choosing a course from the list on the [E&O Foundations Canvas website](#). Those wishing to petition for an unlisted course to count toward their E&O Foundations **must do so by January 31, 2023, at 5 pm ET. Any petitions received after January 31 will not be accepted.** Instructions for submitting a petition may be found on the E&O Canvas site.
