

Dear HGSE Students,

The Registrar's Office has completed the process of enrolling you in the August Foundations courses. You should now see your placement in LCH101, EVI101, and EQO11 reflected in my.harvard. No further action is required on your part. **This email includes reminders of several policies related to Foundations enrollment.**

If you have a question or concern that is not addressed below, we invite you to **email us** at registrar@gse.harvard.edu.

Canvas sites for LCH101 and EVI101 will open on July 20 and sites for EQO11 courses will open on August 1. You can access these sites via the my.harvard “Course Search” (search for your course, then click on the “Course Site” tab in the course details pop-up) or by logging in to canvas.harvard.edu.

As a reminder, Foundations courses are required for the Ed.M. degree (students admitted in Summer 2022) and students are expected to be in residence and available during the times when Foundations courses are offered in August, **beginning on August 3**. The attendance policy for Foundations courses is described in the [HGSE Student Handbook](#).

As noted in earlier communications, requests for reassignment to a different section of a Foundations course will be granted on very rare occasions and only for cases in which a student has an unmovable family or work commitment that conflicts with an assigned class time. **All such requests must be made via email to the Registrar’s Office between July 14 and July 25**. Requests will not be considered before or after this period. It may take until **July 27** for the Registrar’s Office to address all requests.

HGSE 2022-23 Course Catalog

The catalog of courses for the 2022-23 academic year will be available beginning Friday, July 15 via the “[Course Search](#)” tab inside [my.harvard](https://my.harvard.edu). Note that course offerings and details are subject to change and courses will continue to be added in the coming weeks. For that reason, it is a good idea to check “Course Search” frequently.
