**S997: FIELD EXPERIENCE**  
**LEARNING CONTRACT AND POLICIES**

S997 is an internship which can be taken for 2 credits during Spring 1 or 2 or for 4 credits over the course of the semester. The field requirements of both options are summarized here:

<p><b>SPRING 1 [January 23-March 10]</b> 2 credits 70 hours total in field with organization [approx.] 10hrs./wk for 7 weeks</p>	<p><b>SPRING 2 [March 20-April 28]</b> 2 credits 70 hours total in field with organization [approx.] 10hrs./wk for 7 weeks</p>
<p><b>SPRING SEMESTER [January 23-April 28]</b> 4 credits 140 hours total in field with organization [approx.] 10hrs./wk for 14 weeks</p>	

It is important to set clear learning goals and expectations for the scope of work and time commitment.

At the end of the commitment, the site supervisor will assess whether the student has fulfilled the stated hours and agreed upon work and the student will write a final learning reflection paper about the experience. The HGSE faculty member who signs the Learning Contract will determine the student’s final grade by 1] reviewing their final written reflection and 2] reviewing the assessment from the student’s site supervisor. S997 can only be taken for a grade of Satisfactory or No Credit.

- Our organization (service site) will offer opportunities for the student to learn from the day-to-day work of our organization.
