Greetings and Salutations,

Congratulations, you are projected to earn enough credits by the end of the Spring semester and, therefore, will be eligible to apply for your HGSE (Harvard Graduate School of Education) degree!

The graduation application process is straightforward. Please see some key steps below. To ensure the accuracy of your information, **please apply by April 14th**. Information regarding May Commencement exercises will be sent by Student Affairs later this spring.

You can opt to pick up your diploma in-person right after Commencement exercises or have your diploma mailed directly to your preferred address. If you do not plan to attend Commencement, your diploma can be mailed to you via postal mail; it is imperative you provide a mailing address for this purpose.

Financial Aid Requirement (If you borrowed a Federal Direct Loan):

As a graduating student who has borrowed a Federal Direct Loan, you must complete the online Exit Counseling to receive your diploma in a timely fashion.

Please complete this requirement by **May 12th**. We will monitor completion and send reminders if you have not successfully fulfilled this requirement.

You can complete Federal Direct Loan Exit Counseling by visiting <https://studentaid.gov/exit-counseling>. You will need your FSA (Federal Student Aid) ID to complete this process. Log in and be sure to select the Harvard Graduate School of Education from the list of schools and select "Notify This School." Once you have added HGSE, continue through the Exit Counseling process to learn about your rights and responsibilities after you leave school and begin repayment on your student loans.

Please contact HGSE Financial Aid office at finaid@gse.harvard.edu if you have any questions.
