Subject: Missing Foundations Courses - Enrollment Update

Dear HGSE Part-Time (2nd year) Student,

You are receiving this email because you have not completed one or more Foundations courses required to complete your graduation requirements. You must complete your missing Foundations course(s) this August Term. Please see below for instructions for each course enrollment.

1. ***Equity & Opportunity: Identity in Context [Action Required: Must complete by Friday July 7th, 2023] [If you are missing Equity and Opportunity, please follow these instructions]***

As part of your Foundations experience in Equity & Opportunity, all residential Ed.M. students will take an August Term “Identity in Context” course. As [described elsewhere](#), the Identity in Context courses immerse you in inquiry about one of six dimensions of social identity: Class, Dis/ability, Gender & Sexuality, Race & Ethnicity, Citizenship & Nationality, or Language. With this email **you are invited to indicate your preferences among these six topics within My.Harvard**. Your preferences will be taken into account when placing you in August course sections. Note that we encourage you to prioritize topics that are relatively new to you—academically, experientially, or both.

To help you identify your topic preferences for Identity in Context, **we encourage you to explore the information and resources available on the E&O Foundations Canvas site: https://bit.ly/HGSE_EandO**. This site includes guidance from the E&O faculty, reflections from past students, examples of course readings and guiding questions, and access to a self-assessment developed by HGSE faculty members to help you reflect on your growth edges.

Please click here for instructions on how to use the “lottery event” feature in My.Harvard to submit your topic preferences for Equity & Opportunity: Identity in Context. You will be able to enter your preferences starting tomorrow, Thursday, June 22nd. **The deadline to submit your topic preferences is Friday, July 7th at 11:59 pm ET.** Please note that **if you do not enter your preferences before the deadline, you will be placed in an Identity in Context course by the Registrar’s Office.**

After you have submitted your topic preferences, the Office of the Registrar will officially enroll you in EQ&O. This means that **no further action** is required on your part. On **Friday, July 14th** by end of day you will see your placement in My.harvard.

2. **Leading Change and/or Evidence [if you are missing any of these two courses or both, please see below]**

The Office of the Registrar will officially enroll you in all of your missing August-Term Foundations courses (LCH101 and/or EVI101). This means that **no further action** is required on your part. On **Friday, July 14th** by end of day you will see your placement in any missing August Foundations courses in My.harvard.

*****IMPORTANT NOTE***** Please note that [enrollment and registration holds](#) will be ignored for the Foundations course registration process. **HOWEVER**, you have until **12:00 pm ET on Tuesday, August 1st** to clear your [holds](#), if any, or your Foundations course(s) will be dropped from your record.
