*****IMPORTANT NOTES*****

1. Requests for reassignment to a different section of a Foundations course will be granted on very rare occasions, **subject to availability**, and only for cases in which a student has an unmovable family or work commitment that conflicts with an assigned class time.

All such requests must be made via email to the Registrar's Office ([registrar@gse.harvard.edu]registrar@gse.harvard.edu) **between July 18 and July 26**. Requests will not be considered before or after this period. It may take until **August 1** for the Registrar's Office to address all requests.

2. **Please note that enrollment and registration holds were ignored for the Foundations course registration process. HOWEVER, you have until 12:00 pm ET on Tuesday, August**

1st to clear your holds, if any, or your August and Foundations courses (LCH101, EVI101, and EQO11) will be dropped from your record.

HGSE 2023-24 Course Catalog

Our apologies as we encountered a glitch in our configuration. **The course catalog will become available tomorrow, Tuesday July 18** via the “Course Search” tab inside [my.Harvard](https://my.harvard.edu). Note that course offerings are not yet complete, and details are subject to change. Additional courses will be added in the coming weeks. Please consider the following when searching our course catalog.

Important notes:

- This is an initial batch of course information with **further courses to be added and corrections to be made** over the following weeks through August.
- Course meeting times often must be revised during July and August, so **some dates and times of courses will change up until the course previews and enrollment week in late August.**
- **Students should not yet plan on which elective courses to take.** Students will have the opportunity to view course previews and consult with faculty advisors before deciding on which elective courses to take. We are making this preliminary version of the catalogue available now for browsing and initial planning.

Fall Term Bill

Please note that in order to enroll and attend in Fall term courses (including August Term), you are required to have paid your Fall term tuition and fees in full (unless you have arranged to pay according to the monthly payment plan, in which case, you are expected to have paid at least one-fourth of the current Fall charges). **In addition, you are required to have paid all remaining balances on your student account, if any.** You can find a student account sample and overview [here](#).
