IMPORTANT NOTES

1. Requests for reassignment to a different section of a Foundations course will be granted on very rare occasions, **subject to availability**, and only for cases in which a student has an unmovable family or work commitment that conflicts with an assigned class time.

All such requests must be made

via email to the [Registrar's Office](#) between July 18 and July 26. Requests will not be considered before or after this period. It may take until **August 1** for the Registrar's Office to address all requests.

2. Please note that enrollment and registration holds were ignored for the Foundations course registration process. **HOWEVER**, you have until 12:00 pm ET on Tuesday, August 1st to clear your holds, if any, or your August and Foundations courses (LCH101, EVI101, and EQO11) will be dropped from your record.
