OFFICE OF THE REGISTRAR

Dear HGSE Students,

Congratulations on your admission to the Harvard Graduate School of Education! On behalf of the [staff of the Office of the Registrar](#), I extend greetings and good wishes to you as you prepare to join the HGSE community. I hope you are looking forward to the upcoming release of the HGSE New Student Onboarding site and Registration events.

Over the next few weeks, you will receive multiple emails from different HGSE offices and departments. They will be filled with resources and tools to prepare you for success at HGSE. Please take the time to read them and take action, if requested. One of the upcoming resources is a New Student Onboarding site within Canvas, HGSE's primary learning management system (e.g., Blackboard or Moodle) where many of your academic courses will house content, syllabi, assignments, grading, and communication. The onboarding site provides you with important information, upcoming deadlines, and additional resources available. This is also an opportunity to explore and experience Canvas prior to the start of the official academic year. You will receive more information about the onboarding site and how to access it through Canvas next week. In the meantime, please continue to refer to the Admitted Student Website, which contains a wealth of information.

On Tuesday, April 16, you received an [email from our HGSE IT team](#) with instructions on how to claim your Harvard Key and HGSE email. Please claim your HGSE email account at your earliest convenience. If you have already claimed your HGSE email account, then you are all set! If you have any issues with claiming your account, please send a request for support to GSE-IT One Stop: IT_OneStop@gse.harvard.edu. Please note that you are receiving this email in your personal email account; however, it is very important for you to claim and set-up your HGSE email account before **April 25, 2024**. After April 25, **all email communications will be sent only to your Harvard email account**.

Please stay tuned for the next email from the Office of the Registrar on April 26, 2024, with information about registration processes, important dates, and deadlines.

Best,

Miguel Sahagún, Ph.D. | Assistant Dean of Enrollment Services and Registrar of the Harvard Graduate School of Education
